What was good about the course? Which factors in particular supported your learning?

Vastauksia: 3

Vastauksia: 3

Vastaus
- course discussions - skilled and professional guest lecturers
Teacher's enthusiasm and interactive lectures.
Everything (writing and reading of articles, group project, discussions) was really important and interesting.

What needed improvement on the course? Which factors complicated your learning?

Vastauksia: 3

Vastauksia: 3

Vastaus
Too much work!
The group work was not an ideal way of evaluating students. It is impossible for four people to write a good report.
I was not used to the learning methods used so it was a bit difficult to keep on with everything, but that's because of my background.

Have you attended the lectures regularly? Please explain the reason(s) why, in either case.

Vastauksia: 4

Vastauksia: 4

Vastaus
I attended whenever I was able to wake up on time, approx 80% of the lectures
- coz the lectures were well planned and it was a lot to discuss - I learn in discussions rather than reading
Yes. Interesting topics.
Yes, because I think there's no point of missing classes unless it's really necessary.
